Title: ARRANGEMENT FOR ELECTRICAL CONNECTION

PETITION TO WITHDRAW THE HOLDING OF ABANDONMENT AND IN THE ALTERNATIVE PETITION FOR REVIVAL OF APPLICATION AS UNINTENTIONALLY ABANDONED UNDER 37 CFR 1.137(b)

Commissioner of Patents P.O. Box 1450 Alexandria, VA 22313-1450

Dear Sir:

This is a petition requesting withdrawal of the holding of abandonment and in the alternative requesting revival of this application as unintentionally abandoned. This application became abandoned for failure to respond to a notification of Missing requirements dated March 6, 2007. A Notice of Abandonment was mailed July 14, 2008.

The entire delay in filing the required reply from the due date for the require reply until the filing a grantable petition under 37 CFR 1.137(b) was unintentional. Applicant learned of these several abandoned applications a short time ago. Once it was learned that this application had become abandoned, Applicant promptly filed this petition.

This application was improperly abandoned as the response to the Notice of Missing requirements was correct. According to 37 CFR 1.67(a)(2) a defective oath or declaration where only one inventor's name or information is incorrect requires only that the inventor that corresponds with the problem need sign the corrected oath. In this instance, the only problem with the oath and declaration was the misspelling of the first inventor's last name (Please See Exhibit A). That was corrected with the Oath and declaration submitted on September 26, 2006 (Please See Exhibit B).

Accordingly as of submission of the declaration submitted on September 26, 2006 the application was complete. Accordingly, for these reasons the undersigned requests that the holding of abandonment be withdrawn as incorrectly abandoned.

Alternatively, Petitioner requests that this application be revived as unintentionally abandoned. Petitioner provides the following information surrounding the delay in filing of this petition. This application along with those listed in attached Exhibit C were discovered as being abandoned during a docket review conducted the last weeks of November 2010 in anticipation of the original prosecuting In-house Attorney for these cases leaving Assignee. Upon discovery of the abandoned applications a petition to revive along with the required response was promptly filed for each of the cases listed in attached Exhibit C. The facts as understood by the undersigned surrounding the abandonment of this application are as follows.

- A. Continental Automotive is the Assignee of this application by assignment executed by the inventors and includes divisions both in the U.S. and in Germany.
 - B. This application is a U.S. national phase of an originally filed German application.
- C. This application was filed by a Mr. Craig Hallacher who was an in-house Continental Attorney located in the U.S. at the instruction of an in-house Continental Attorney located in Germany. Instructions for maintaining and pursuing U.S. national phase applications are provided to the in-house U.S. Attorney by the in-house Attorney located in Germany.
- D. As of December 1, 2010, Mr. Craig Hallacher is no longer employed by Continental Automotive.
- E. A docket review of cases assigned to Mr. Hallacher was conducted the last weeks of November 2010 in anticipation of Mr. Hallacher's departure. During the docket review, it was discovered that the cases listed in Exhibit C had become abandoned, contrary to the intention of Assignee, Continental Automotive.
- F. The Assignee's intention to continue with each application listed in Exhibit C both prior to discovery of the abandonments and after discovery was verified by the responsible in-house Continental Attorney located in Germany.
- G. Mr. Hallacher signed petitions requesting revival for several of the applications listed in Exhibit C as unintentionally abandoned that state that the entire delay in filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Serial No. 10/551,726 TM005; 60426-1013PUS1

H. The delay from the abandonment was unintentional and Assignee, through the

undersigned, was diligent in preparing the required response and in filing this petition to revive upon

discovery during the last weeks of November 2010.

Petitioner requests that for the reasons discussed above that the holding of abandonment be

withdrawn, or in the alternative, that the application be revived as unintentionally abandoned and

examined on the merits.

Petitioner has paid the petition fee with this petition and authorizes the Commissioner to

charge the fee for revival as unintentionally abandoned to Deposit Account No. 50-1482 in the name

of Carlson, Gaskey & Olds, P.C. should this fee be required. Further, if any additional fees are

necessary, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 50-

1482 in the name of Carlson, Gaskey & Olds, P.C.

Respectfully submitted,

CARLSON, GASKEY & OLDS, P.C.
